Those MV teams that participated on either or all of the TMC'09, AC'12 or BH'15 Convoys were given this notice about 2 weeks prior to this Supply Line delivery, but there are still open spots.

This Convoy has the opportunity to be every bit as great as the last three Convoys. We will travel through

some heavily populated areas, giving our MV hobby and the MVPA enormous exposure to the general public and saluting our Veterans. The 10 Year Convoy Plan is detailed on the MVPA website.
